

Ways YOU can help RAWL

Missy smiling with her new friends after a fun walk.

It takes a lot of helping hands to take care of the animals while continuing to raise money for the shelter.

Be a Volunteer

RAWL has a hardworking staff of dedicated employees, yet we can never have enough volunteers to assist in all aspects of our activities.

Spend Time with the Dogs

One-on-one time with the dogs: walking, training, grooming or just giving them love.

Help with Fundraising

Fundraising is an ongoing process for RAWL. We need event planners, people to help behind the scenes and/or to volunteer on the day of events.

Ideas and Resources

We welcome fundraising ideas. Do you have a special talent or service that you could donate to help RAWL or know someone who does?

If you are interested in volunteering please contact RAWL at 540.937.3336 or www.RAWLdogs.org.

About RAWL:

The Rappahannock Animal Welfare League, (RAWL) is a rescue based in Rappahannock County, Virginia. RAWL is a non-profit 501(c)3 corporation that manages the daily operations of the Rappahannock County animal shelter. Partial funding is provided by Rappahannock County, but the majority comes from people just like you who love animals!

We provide an energetic adoption program that finds loving homes for the dogs in our care. We seek to rehabilitate and adopt every dog. We also have active community outreach and educational programs.

RAWL has made a deep and abiding commitment to saving pet lives, and we depend on your donations to fulfill our mission!

Our Mission:

To rescue unwanted, abandoned or neglected dogs in Rappahannock County, to relieve suffering, and to help each animal become healthy and happily re-homed. Our mission is difficult and costly, and we need all the help we can get.

RAWL Provides:

- ♥ Care and feeding 365 days a year
- ♥ Spay/neuter, all vaccinations, microchip, heartworm test and medical care for each animal
- ♥ Salaries for dedicated and caring shelter employees

RAWL believes that no animal should be homeless. Our goal is a world where there are no unwanted pets. This is possible through educating people about the importance of Spaying and Neutering, community outreach programs, and loving people like you who adopt our animals.

What's Included:

Each RAWL dog receives a basic health exam and is spayed or neutered, microchipped, they are given a heartworm test (for all dogs over 6 months old), and a heartworm preventative monthly, DHLPP C, Bordetella (for kennel cough), rabies vaccination, and Frontline during flea and tick season.
